

Ravenwood HOA Trash Discount

Attention: Ravenwood Residents

Re: Discounted Trash Service Pricing with GFL Environmental

The Ravenwood Homeowners Association is pleased to announce the continuance of our **voluntary** discounted trash service for **paid** members who pay their dues by January 31st. New residents who move in after that are eligible once they pay our annual dues.

The board has arranged pricing with GFL Environmental at a rate of:

- \$11.96 per month for trash (one cart only)
- \$17.88 per month for trash + recycling

Each additional cart, whether trash or recycling, is an additional \$5.00 per month. These prices do NOT include taxes or fees, if applicable. All billing is done between residents & GFL.

Steps to take for discounted pricing:

1. Mail in your \$25.00 Ravenwood Homeowners Association dues and attach the Ravenwood HOA Dues statement **no later than JANUARY 31st**. We will then notify GFL of all addresses that qualify for the group discount. If you already use GFL, then no further action is needed.
2. Approximately 2 weeks after sending in your dues, call Riley Dandurand at 417-380-7679 or email rdandurand@gflenv.com to set up your service account and make arrangements for container(s) delivery. Riley will be your main point of contact at GFL. If you leave a message, she will return your call by the end of the day. Please note that both containers are 96 gallons for garbage and recycling. Recycling pickup is every other week. Recycling glass is not available.
3. Call your current trash hauler to cancel service at the end of your billing cycle.

Sincerely,
The Ravenwood Homeowners Association Board
